Dear Ms. Owenby:

Please accept this as our request for a certificate of exemption for Hamilton County, Tennessee and all included municipalities pursuant to Tennessee Code Annotated 68-201-115(a) for the period July 1, 2018 thru June 30, 2020. Enclosed is our completed "Petition for Exemption to the Tennessee State Air Pollution Control Board" along with the requested documentation.

Since the approval of the 2016-2018 Certificate of Exemption, regulatory revisions have been approved by Hamilton County and the 10 municipalities within the County. Those revisions included revised rules for New Source Review to address TN 291 on the EPA SIP Back Log; increased permit fees; revised air quality standards and the public notice rule required by the State Board as a condition in our previous Certificate of Exemption as well as other housekeeping provisions.

Very truly yours,

Robert H. Colby
Director
